

Elementary School Program

East Harlem Tutorial's Elementary School Program is a comprehensive after school education program designed to equip elementary school students (aged 5-11) with the knowledge, skills, and tools to:

- Develop strong academic competencies in literacy, math, and writing
- Build positive foundations for social development
- Build confidence and cultural awareness through artistic expression
- Perform at grade level and be better prepared for advancement

Elementary School Program

What is the East Harlem Tutorial Program?

The East Harlem Tutorial Program, or EHTP for short, is a free after school program run by an exceptional staff and nearly 200 volunteers. We offer East Harlem youth comprehensive academic and social enhancing activities, including reading, math, science, one-to-one tutoring, and arts and culture courses. EHTP's programs take place during both the school calendar year and summer.

In addition to youth-based programs, EHTP also offers a variety of family services, including ESL (English as a second language)/Family Literacy classes and social counseling. Together these programs provide a solid foundation for youth and families to succeed.

Curriculum – 4 Days Per Week

Academic Programming – 2 days per week

- Literacy
- Mathematics
- Science
- Social Studies

Arts Programming – 1 day per week

Tutoring – 1 day per week

- 1-on-1 Tutoring will be given to ALL participants!

Summer Program

Our summer program details have yet to be finalized. All accepted students will be updated of the details as they become available.

Program Costs

FREE! Through the generosity of numerous individuals, foundations, and corporations we are able to offer programming free of charge.

Admissions

Who We Accept

This program is open to any K-5 grade students who live, attend school, or have a parent working in the East Harlem zip codes 10029 and 10035.

How to Apply

Fill out an application.

Process for New Applicants

As spots in the program are frequently full, the admissions process for new participants is done on a rolling process. New applications are date-stamped and processed in the order they are received – No exceptions. As spots become available families will be contacted in the order applications were received.

Process for Returning Applicants

Intake and Assessment meetings are required of all returning participants. Before the program starts, returning participants will receive a letter informing them that they need to schedule these meetings. Once Intake and Assessment are complete participants can start programming the following program day.
